SUPPORTING PARTNER

THEME

Balancing Innovation and Sustainability

4th
JULY
2025

Hotel Hyatt Regency
Bhikaji Cama Place, New Delhi

ABOUT INFOTECH FORUM

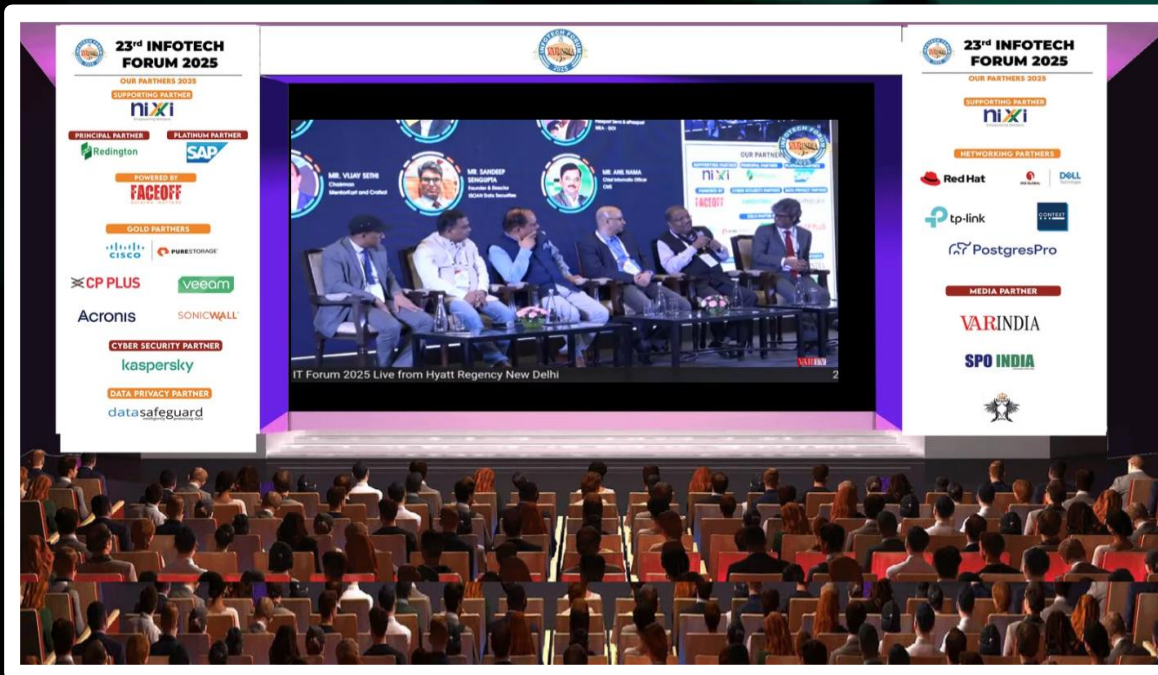

The 23rd edition of the Infotech Forum (IT Forum) had took place on on July 4th, 2025, in New Delhi. This prestigious event has witnessed by 613 IT leaders in the day long event to explore on the theme "**Balancing Innovation and Sustainability**," positioning India as a global tech hub. As AI and cloud technologies continue to advance, they are shaping a dynamic, interconnected, and intelligent future of work.

The forum features keynote speeches, three tracks of panel discussions, and the unveil of the 14th edition of the Brand Book 2025. Highlights include honoring India's 25 Most Trusted Companies, 50 Most Admired Brands, 100 Eminent CIOs, 10 Powered CMOs, and 10 Women Tech Leaders. Key topics include digital transformation, cybersecurity, cloud, and emerging technologies.

The IT Forum has opens exciting new pathways to connect cutting-edge technology with India's next generation of innovators. On the show floor, innovators and impactful brands convene to launch products, make headlines, forge powerful business connections, and make deals. The incredible turnout from every corner of the country and overseas shows that innovation knows no borders.
